

# DRYING AID COMPARISON

	Rinseless Wash & Wax	Spray-On Wax	Ceramic Speed Shine	Ceramic 3-in-1 Wax
Dilution	15 : 1 (Water : concentrate)	Ready to use	Ready to use	Ready to use
Level of Lubrication	Better	Good	Better	Good
Protection Type	Polymer Carnauba	Carnauba	Ceramic (SiO <sub>2</sub> ) Polymer	Ceramic (SiO <sub>2</sub> ) Carnauba Polymer
Protection Level	Better	Good	Better	Best
Final Thoughts	Adds mild protection while lubricating drying process, enhances water beading and gloss	Adds mild protection while lubricating drying process, enhances water beading and gloss	Adds mild/moderate protection while lubricating drying process, enhances hydrophobicity and self cleaning characteristics	Adds moderate protection while lubricating drying process, enhances hydrophobicity and self cleaning characteristics
