

QUICK INSTRUCTIONS FOR THE WIPE DISPENSER

Thank you for choosing this fine product from GRIOT'S GARAGE. For assembly, follow the enclosed diagram, noting that the 1/2" long holding pin (in the plastic pouch) for the chrome towel funnel needs to be in place otherwise the funnel will fall out!

The towels pull down from the center of the roll. Remove the cardboard tube and pull the towels from the center of the roll through the chrome funnel. If you would like for one towel to be dispensed at a time, put in the black, round, slitted, rubber adapter into the chrome funnel and pull the towels through it. You are now ready to start enjoying the convenience of this towel dispensing system. Need more information? Call 800-345-5789 or visit www.griotsgarage.com.

*Have fun in your garage!**
