

STINKY-BE-GONE

Thank you for choosing this fine product from GRIOT'S GARAGE. **STINKY-BE-GONE** is made from 100% natural, non-toxic volcanic mineral and will eliminate (not simply cover up) virtually any odor. Gasoline, smoke, automotive exhaust, mustiness, mildew - it handles them all. Enjoy the best.

USEFUL INSTRUCTIONS

Just remove the cellophane wrapper and place anywhere in your car (under your seat is fine), trunk, basement, garage, laundry room, under the kitchen sink, baby room, etc. Odors are actually trapped within the product's molecular structure. To regenerate, use either of the following methods:
Every 8-10 months, place bag outside in direct sunlight for 6 to 8 hours.
Every 3 years or as needed, soak in 10% saltwater solution for 24 hours, then rinse with fresh water and sun dry.

WARNINGS, CAUTIONS, AND DISCLAIMER

Although non-toxic, **STINKY-BE-GONE** should be stored out of reach of children and pets.
