

HANDS FREE TOWEL DISPENSER

Thank you for choosing this fine product from GRIOT'S GARAGE. The **HANDS FREE TOWEL DISPENSER** provides you with a clean and dry paper towel at the wave of your hand. The sensor range has three different settings for fine tuning to your environment. There is also a setting for three different towel lengths to suit your individual need. Enjoy the best!

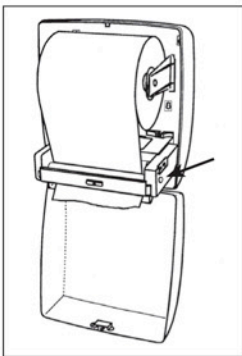

USEFUL INSTRUCTIONS

To install the **HANDS FREE TOWEL DISPENSER** start by opening the cabinet door using the key provided with the unit. Mount the Hands Free Towel Dispenser onto a wall using the four keyhole slots located in the back of the cabinet. Once the cabinet is secured insert four "D" size batteries into the battery compartment (**see picture A**) making sure to properly align the "+" and "-" terminals of the battery to the corresponding connectors. The Hands Free Towel Dispenser uses an 8" wide towel roll (**ITEM #77507**). Place the towel roll onto the support arms and insert the leader sheet into the paper feed. Push the "Paper Feed" button located on the right side of the dispenser until the towel appears from the bottom (**see picture B**). Close cabinet door and the dispenser is ready for operation.

PICTURE A

NOTE: After each dispensing cycle make sure towel is torn off. This action will reset the sensor for the next dispensing cycle.

PICTURE B

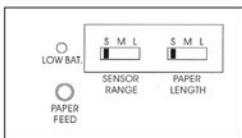

SENSOR RANGE ADJUSTMENT

There are three different sensor range settings for you to choose from. S=1 inch, M=2 inches and L=3 inches (**see picture C**). Select the setting that best suits your environment.

TOWEL LENGTH ADJUSTMENT

There are three different paper length settings for you to choose from. S=8½" inches, M=11 inches and L=13 inches (**see picture C**). Select the setting that best suits your need.

NOTE: Sensor range and paper length settings must be selected when the cabinet door is open. Low Batteries: When the "Low Bat." indicator light is flashing, replace the batteries.
