

ROLLING FOLDAWAY TOOLBOX

Thank you for choosing this fine product from GRIOT'S GARAGE. Your ROLLING FOLDAWAY TOOLBOX is simple to operate and suitable for use in the garage or on the work site. The surface is powder coated with environmentally friendly paint and without harmful solvents. This paint is resistant to normal wear and tear. Enjoy the best.

USEFUL INFORMATION

RAISING THE TOOLBOX (see figure A) Pull out the locking handle at the side and pull up the toolbox at the top handle until you reach the working height and it engages on both sides. Your ROLLING FOLDAWAY TOOLBOX is ready to be pulled.

LOWERING THE TOOLBOX (see figure B) Lift up the toolbox by the top handle, pull out the locking handle at the side and lower down the toolbox until it engages on both sides. Your ROLLING FOLDAWAY TOOLBOX is ready to be carried.

EXTENDING THE TRANSPORTATION HANDLE (see figure C) Loosen up the top transportation handle by turning and pull it out as far as needed. Maximum extension is 15 1/2". Turn the handle again and it will stay at this position. The handle can be turned either to the left or right.
