

FLAT-FREE TIRE RAMPS

Thank you for choosing this fine product from Griot's Garage. Your **FLAT-FREE TIRE RAMPS** evenly distribute vehicle weight as their contoured shape prevents annoying flat-spots, tire deflation, deformation, and moisture damage during long-term storage. These heavy-duty polypropylene ramps feature non-slip construction, easy roll-up, and each has a weight capacity of five tons.

USEFUL INFORMATION

- 1) Position the vehicle where you intend to store it, then reverse straight back 2' to 4'.
- 2) Place the **FLAT-FREE TIRE RAMPS** in front of each tire on a level surface.
- 3) Drive vehicle slowly up onto the Ramps until the tires roll into the cradle.

DISCLAIMER

Griot's Garage is not responsible for any misuse of the **FLAT-FREE TIRE RAMPS** or for any injury or damage incurred to any person or object related to its use.

ANSWERS TO YOUR QUESTIONS

To order another **FLAT-FREE TIRE RAMPS** (36883), speak with customer service, or for a complete selection of quality Griot's Garage products, call 800-345-5789 or visit griotsgarage.com.
