

LUG NUT CLEANING BRUSHES

USEFUL INSTRUCTIONS

Thank you for selecting this quality GRIOT's product. The **LUG NUT CLEANING BRUSH** will clean away brake dust and road grime quickly without damaging your expensive wheels and tires. Flagged, nylon bristles create soft tips that are gentle on your tires and wheels. Use with GRIOT's GARAGE **WHEEL CLEANER** or **RUBBER CLEANER**. Avoid using harsh chemicals. To avoid electrical shock, the drill-operated brush should only be used with a "cordless" type drill at low speeds, around 1,000 RPM. Rinse well after use. Enjoy the best!
